

POLYETHYLENE

HORIZONTAL LEG TANKS

— Specifically designed for pick-up trucks and flat decks

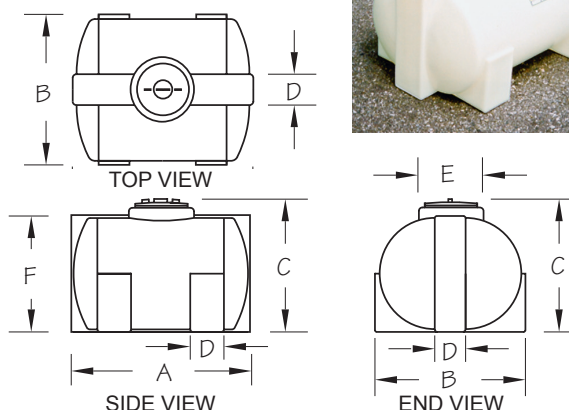

WATER HAULING – PRESSURE WASHING – FERTILIZER – BRINE – DRINKING WATER – WASTE STORAGE

New low-profile design is self-supporting and increases stability when liquids are transported.

Flat surfaces on all sides of the tank provide greater flexibility in placing pipe connections.

FEATURES:

- ★ **Lightweight food-grade polyethylene**
(meets FDA Reg. 21 CFR 177.1520(c)3.1)
(CSA/NSF certification drinking water)
- ★ **Tough, long-lasting and easy to handle**
- ★ **Seamless construction – will not leak or corrode**
- ★ **UV stabilized for outside use**
- ★ **Environmentally safe**
- ★ **Fill/access cap and outlet provided** (see below)
- ★ **Colour – natural white**

SELECTION GUIDE (U.S.A./Canada)

VOLUME			MODEL NO.		DIMENSIONS (inches)								FILL/ACCESS DIAMETER (inches)	OUTLET DIAMETER* (inches)	LOADED WEIGHT (lbs.)
U.S. Gal.	Imp. Gal.	Litres	USA	Canada	Nominal Diameter	A	B	C	D	E	F				
54	45	200	LTU54	LT45	18	39¼	25	22	6	12	18¾	8	1	500	
85	72	325	LTU85	LT72	24	39¼	30½	28¼	6	12	24½	8	1	775	
155	130	590	LTU155	LT130	30	47	40½	34	8	16¾	30¼	12	2	1,370
